GOLF

THIS GENE BATES-DESIGNED CHAMPIONSHIP GOLF COURSE, A CHALLENGING 6,922 YARDS (6,329 METERS), WINDS THROUGH AN ATMOSPHERE OF GRACEFUL PALM TREES, OAK HAMMOCKS AND LUSH TROPICAL FOLIAGE.

The course places a great emphasis on sustainability due to the design of the gentle, rolling terrain. Our 14 acres of native grasslands reduce the need for irrigation while creating a serene setting with an abundant wildlife population.

Our comprehensive golf practice facility, complete with a covered driving range, dedicated pitching, putting, and bunker areas, allows golfers to replicate virtually every on-course scenario.

- Unrestricted use of par 72 championship golf course
- Unlimited use of golf practice facility including covered driving range
- Trail fees included with cart ownership
- Full time PGA golf professionals on staff
- Club fitting/Trackman analysis available
- All staff gratuities for golf personnel included

CHRIS STANKO

PGA Professional

Christopher “Chris” Stanko, a PGA Class A Professional, has earned a reputation as an approachable, positive, and highly engaged leader while building his career at premier private clubs including Plantation Preserve, The Fox Club, and Banyan Golf Club.

An accomplished competitive player, Chris earned multiple victories and top finishes in South Florida PGA Section events, membership on the Nelson Cup Team and multiple Smidt Cup Teams, as well as qualification for the National Assistants Championship.

Chris competed extensively in junior golf tournaments while growing up in Canada. He continued his competitive career at St. Thomas University in North Miami, where he earned All-Region and All-Conference honors as a member of the university’s golf team.

AMY VOLT

Golf Course Superintendent

Amy Volt has more than 30 years of experience in golf course management including various roles at The Country Club of Cleveland, Chagrin Valley Country Club, Canterbury Golf Club, Augusta National Golf Club, and Card Sound Golf Club.

An active member of the Golf Course Superintendents Association of America (GCSAA), Amy earned her degree in Turfgrass Management from The Ohio State University.

Amy has proudly volunteered at The Masters Tournament for more than 25 years, an experience that continues to inspire her commitment to excellence, attention to detail, and the traditions of the game.
