INSPIRATION BECKONS AT BEACON

Inspiration Beckons at Beacon: A few miles to downtown Carrboro, Beacon is a new three-home Zinn Design Build neighborhood (more homes to follow) surrounded by established communities, pasture, and woodlands. Clean lines and gracefully composed flex spaces are defined by simplicity, proportion and harmony. Experience Zinn Design Build blue-chip craftsmanship with carefully curated luxe materials and a vibe of hushed chic + lounge-y luxury on ~1.33 acres. The various rooms offer lots of flexibility – 5th bedroom, office, guest suite, exercise room; plus a large unfinished space provides terrific storage or can be finished for more living space. Thoughtfully placed windows stream sunshine and frame bucolic views. The spacious screen porch and deck are airy retreats. This idyllic hamlet is within the Chapel Hill-Carrboro school district. There is a reason Carol Ann has been Chapel Hill and Carrboro's most beloved builder since 1978. Explore Zinn Design Build's passion and precision at Beacon.
