

VIEWS, VIEWS, VIEWS

LA JOLLA | \$4,900,000

Discover this 2006 custom built La Jolla home, which is a stunning masterpiece of craftsmanship, architectural details, exquisite design, and boasts breathtaking views of the ocean, sunsets, golf course, and evening lights. The 5 BR Suite home offers wonderful natural light, travertine and walnut plank flooring, ocean view formal dining room and library, state-of-the-art kitchen with adjoining family/great room and view patios. The divine upstairs master suite is an exquisite retreat. French doors open to the private backyard with inviting patio, masonry fireplace, outdoor kitchen and spa. This property will impress your most sophisticated buyer and located above the vibrant Village of La Jolla.
