

## PANORAMIC VIEWS | RANCHO SANTA FE | \$5,795,000

A premier Covenant site with breathtaking panoramic views. The custom 2012 Spanish Colonial home lives like a single level home with a private Master Suite wing and a nearby wing with 3 ensuite bedrooms - ideal for empty nesters or a young family. Downstairs is a second family/game room, 2 wine rooms, full bath and a large room dedicated for easy walk-in storage. A combination living room/dining room was designed to take advantage of casual California entertaining with doors opening to the pool patio for year round al fresco dining. The white oak plank floors were imported from Pennsylvania, custom lighting designed by Christine Spann and the oversized 3 car garage has a private gated courtyard. This property has been lightly lived in, impeccably maintained and is filled with natural light.
