Park City Summer in Full Swing

As the month of June has come to a close we are now entering the heart of the summer season in Park City. The outdoor summer concert series has started in diverse venues such as the amphitheater outside Billy Blancos in Pinebrook, Deer Valley Resort, Canyons Village, Newpark, Snowbasin and more. Check the Park City events schedule for the location and times for your next outdoor summer concert.

Other popular summer events in Park City include horseback riding, mini golf, alpine slide, and zip lining. Lift-served hiking and mountain biking is available at Park City Resort, with access to additional trails for hiking and biking at Deer Valley Resort, not to mention the many outdoor activities offered at the Utah Olympic Park. While at the Utah Olympic Park, the Alf Engen Ski Museum is a must see for the history of this sport in the state of Utah.

Lastly don't forget to partake in the many activities in and around the Jordanelle and Hideout area such as hiking, biking, boating and golf at the scenic and challenging 9 hole Outlaw Golf Club located at Hideout Canyon.

Summer at Golden Eagle

The beautiful summer weather and long sunny days at Golden Eagle have to be seen to be believed. Every day the beauty of nature shines at Golden Eagle, and as the warmer weather grows, so too do new babies: just last week a mother moose with her newborn twins was crossing the main road near the entrance of Golden Eagle right in front of me. If you're lucky you may catch a glimpse of them, or other natural joys as well.

Summer means new and old visitors alike visiting Golden Eagle and we expect a busy summer season in 2026. Now is the time to stop by and pick out your dream lot with our sales team from among our current inventory of large estate home sites and start planning your forever home now.
