

The Gallery

LIVE LIFE TO THE FULLEST

At The Sports Club at The Gallery, you can take advantage of everything that our 12,000 square feet has to offer to help you enjoy an active, healthy lifestyle year-round. You'll find a complete lineup of state-of-the-art cardiovascular and fitness equipment, in addition to a wide variety of recreational activities, classes focused on health and overall wellness, locker rooms, showers, and a full-service spa offering massage therapy services and facials.

Personal training, yoga, pilates, and golf conditioning programs are available to round out your regimen. Enjoy outdoor amenities such as brand-new lighted pickleball courts, lighted tennis courts, a combination lap and recreational pool, and bocce ball or croquet on The Sports Club lawn. For those who prefer a more free-form experience immediately surrounding The Sports Club are miles of hiking and biking trails that wind through the foothills of the surrounding Tortolita Mountains.

While offering much to keep you active, at The Gallery there is no shortage of opportunity to kick back and relax. Take in incredible views of the Sonoran sunset from the patios at The Gallery Grille, the Sports Club Café or social events on the beautiful lawn. Local craft beer, fine wines, and signature entrees in the casually elegant ambiance of these dining venues make for the perfect setting for quality time with family and friends.

MORE INFORMATION

For more information about membership opportunities, please contact our Membership Team:
