WELCOME TO CANDLEWOOD LAKE

Candlewood Lake is one of the most desirable waterfront real estate markets in the Northeast. Located in western Connecticut, the lake offers a unique lifestyle combining boating, waterfront living, and proximity to major metropolitan areas like New York City and Boston.

Whether you are searching for a luxury waterfront estate, a lake-access home in a private community, or a vacation property, Candlewood Lake offers a wide range of options for buyers.

This buyer guide will walk you through everything you need to know before purchasing a home on Candlewood Lake, including communities, property types, lifestyle, and what makes each area unique.

ABOUT THE LAKE

Candlewood Lake is the largest lake in Connecticut, covering approximately 8.4 square miles with about 60 miles of shoreline.

The lake was created in 1928 as a hydroelectric reservoir, but has since become one of the most popular recreational lakes in the region. It is also the largest lake in Connecticut and the largest man-made lake in New England. Today, it is known for boating, fishing, watersports, and scenic waterfront homes.

Candlewood Lake borders five towns in Fairfield and Litchfield counties:

- **Brookfield**
- **Danbury**
- **New Fairfield**
- **New Milford**
- **Sherman**

Many of the most desirable homes are located along the shoreline of Candlewood Lake. Because the lake spans multiple towns, buyers will find a variety of real estate options, tax structures, and community types depending on the location.

HOMES AND LIFESTYLES ON THE LAKE

Waterfront Homes

Waterfront homes sit directly on the lake and typically include:

- Private docks
- Boat access
- Lakefront patios or decks
- Premium lake views

These homes command the highest prices on the lake and are often considered trophy properties.

Lake Access Homes

Many Candlewood Lake communities offer homes that are not directly on the water but provide access through:

- Private beaches
- Boat slips
- Community docks
- Shared lakefront parks

These homes offer the lake lifestyle at a more affordable price.

- Hickory Hills

These neighborhoods offer a mix of waterfront homes, lake-access homes, and family-friendly communities with private beaches and recreational facilities.

LAKESIDE LIFESTYLES

Living on Candlewood Lake offers a lifestyle that revolves around the water and the outdoors. Popular activities such as boating and sailing, water-skiing and wakeboarding, are readily available for residents to enjoy, along with more leisurely hobbies like paddleboarding and kayaking, fishing, and swimming. The lake is also surrounded by hiking trails, parks, and golf courses. Residents often spend summers hosting gatherings on the lake, tie - ups with fellow boaters, and enjoying sunset cruises.

BOATING ON CANDLEWOOD LAKE

Boating is one of the biggest attractions of Candlewood Lake.

The lake supports many types of watercraft, including:

- **powerboats**
- **pontoon boats**
- **jet skis**
- **sailboats**
- **kayaks and paddle boards**

(Maximum length of 26 feet)

Given its size, boaters can easily explore different coves and islands throughout the day.

Many communities also have private marinas or boat docks.

SEASONAL VS. YEAR-ROUND HOMES

Many older cottages on Candlewood Lake were originally built as summer homes.

Over the past few decades, many have been renovated into full year-round residences.

Buyers should check:

- **insulation**
- **septic systems**
- **heating systems**

DOCK RIGHTS

Not every property has dock rights.

Buyers should verify:

- **dock permits**
- **boat slip availability**
- **lake frontage rules**

Local real estate expertise is important when navigating these details.

THE 440 LINE

The 440 line defines where your ownership ends and regulated lake property begins, which is why it plays a big role in permits, docks, and shoreline use on Candlewood Lake.

Many homeowners assume their land goes all the way to the water, but in most cases, ownership stops at the 440 line.

Land below the 440 line is owned or controlled by FirstLight (the lake operator). This is because Candlewood Lake is part of a hydroelectric system, and the company needs control over shoreline areas for water level changes and operations.

It also affects what you can build or modify. Any structures like docks, walls, or shoreline improvements below this line may require permits and approval.

THE BUYING PROCESS

Buying on Candlewood Lake involves some considerations that are different from typical real estate transactions. As Candlewood Lake specialists we have the experience, expertise and local knowledge to advise you from start to finish. We work closely with everyone involved to ensure the a smooth and seamless transaction.

HOMEOWNER ASSOCIATIONS (HOAs)

Many lake communities have homeowner associations or tax districts that maintain:

- beaches
- docks
- roads
- clubhouses

Fees vary depending on the amenities provided.

TAXES AND TOWN REGULATIONS

Property taxes differ between the five towns surrounding Candlewood Lake and understanding tax differences can help you make informed decisions.

- Danbury may offer lower entry prices
- Sherman tends to have higher-end properties, but lower taxes.
- Brookfield offers convenient commuting access
