

Local Love 2019

Raised \$45,000 for NSF.

I am honored to support The Nephrotic Syndrome Foundation, an East Bay non-profit organization, serving children diagnosed with Nephrotic Syndrome and their families. This foundation was created in 2017 by a local mom whose son was diagnosed at the age of 6. Realizing there was no direct support for those facing this diagnosis. Nephrotic Syndrome is a rare and serious disease affecting the kidneys, causing them to shut down. There is no known cause or cure.

Local Love 2019 featured multiple bands, eats from local restaurants, and good vibes all day long! Thank you to those who were a part of this special day. Together we raised \$45,000 for NSF!

For more information or to make a donation please go to www.nephroticsyndrome.org. Every dollar donated makes a huge impact on these children and their families.
