Welcome to **Bridgeport**

Ross Homes presents its newest development, Bridgeport Row! These modern homes exemplify contemporary living with its sleek design and upscale finishes. Home boasts three bedrooms and two and a half bathrooms. Upon entering, you are greeted by an expansive open-concept living area adorned with 10 ft. ceilings. The kitchen is equipped with stainless steel appliances, complemented by custom Italian style cabinets, quartz countertops & under cabinet lighting. There is no carpet! Natural light pours through large windows as well as upgraded recessed lighting throughout the home. Enjoy an expansive back yard that's great for entertaining, enjoying a BBQ gathering or convert into your private oasis.
