Perched above one of the most stunning coastlines on the Pacific, in the highly sought-after Carmel Highlands, this 2.12-acre parcel offers the rare opportunity to create your own modern, coastal retreat. With significant preparatory and infrastructure work finished, and plans currently in the design approval process, this stunning 5,000+ sq. ft. residence is well on its way to realization. The home has been designed to frame sweeping ocean views through floor-to-ceiling glass and vaulted ceilings, with a thoughtful layout that includes 3 bedroom suites, 3.5 baths, an elevator, and a 3-car garage. The main-level primary suite captures dramatic ocean vistas with a spa-like bath, while the upper-level suite features a bar and private terrace—perfect for morning coffee or relaxing at sunset. Expansive living and sitting rooms share a double-sided fireplace, and multiple decks invite seamless indoor-outdoor living. With a gourmet kitchen, pantry, and private well, this property offers an exceptional opportunity to build an architecturally striking home surrounded by the natural beauty of the Carmel Highlands.
