

accicia

The Acacia Tree is known for its striking appearance and bright yellow blossoms. The homes of Acacia Palo Alto will be known for exceptional design and quality craftsmanship.

Welcome to this enclave of just sixteen, contemporary 2-and 3-bedroom residences, with open living and dining areas, home offices, and rooftop decks. Dividend's state-of-the-art appliances, upgraded finishes and designer features

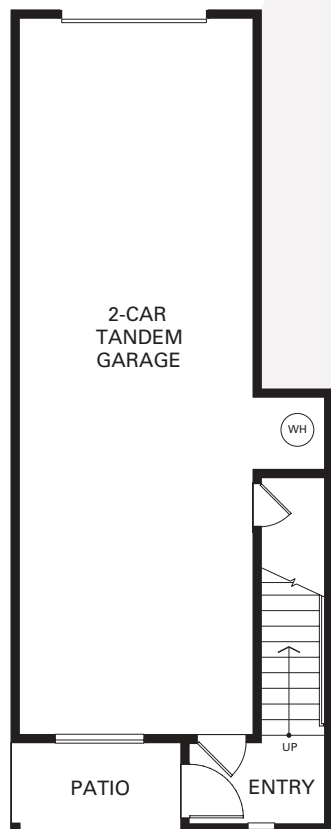

make Acacia a home you and your family will cherish for years to come. This perfectly situated Palo Alto community is located just minutes from Stanford University and the vibrant downtown.

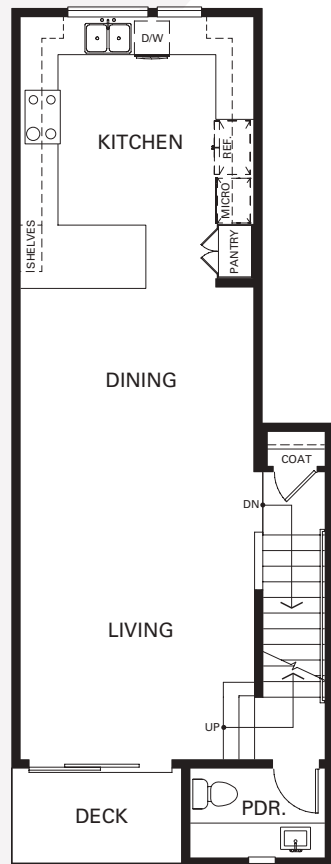

Even closer to home, you'll enjoy the stylish shops and restaurants of California Avenue, while Silicon Valley's tech HQs are at your backdoor 🟡

has earned a well-deserved reputation as a premier builder of exceptional residences and communities. Long known as a high-end boutique builder, we take pride in producing a limited number of homes in carefully planned and thoughtfully designed neighborhoods. Our extensive experience and dedication to excellence have resulted in decades of satisfied homeowners.

From the past, we embrace traditional craftsmanship and meticulous attention to detail. In the present, we utilize highly evolved materials and technologies to create durable and energy-efficient homes.

For the future, we design innovative and functional environments that will always be in style. As a privately owned local company, we specialize in pleasing our buyers rather than a distant corporation's bottom line. With an unwavering commitment to quality, Dividend Homes focuses on what matters most—building elegant, timeless homes that will be cherished by their owners for generations to come.
