There are moments when a home stops you in your tracks - not just because of its character, but because of its soul. Originally built in 1928 as a charming Crescent Heights bungalow, this exceptional property has been thoughtfully transformed into a full two-storey family home that honours every detail of its storied past while delivering the comfort and space today's lifestyle demands. From the moment you arrive, the wonderful curb appeal is undeniable. Cedar shake gable accents, a covered front porch with hanging flower baskets, rich dark trim, and manicured hedgerows give this home a timeless presence. Step inside and the meticulous craftsmanship of a bygone era unfolds - original wood millwork, a welcoming crafted front door, original hardwood floors, and a beautifully detailed staircase with a turned newel post and wrought iron spindles. The front living room is one of the warmest spaces you will find in Calgary. Anchored by a stunning craftsman fireplace with a wood mantle and rich burgundy tile surround. The large picture windows frame the lush greenery outside while glass transoms cast soft, coloured light across the hardwood floors. The kitchen is bold and functional - a central island with gas cooktop, warm wood cabinetry with the home's original 1928 glass-front cabinets lovingly restored. The exposed brick column is original, and the artisan pendant lighting is cleverly positioned over a sunny dining area. A flex room serves as a home office or den, and a tastefully finished powder room completes the main level. Upstairs, the primary suite is a true retreat - a spacious bedroom with wood-trimmed windows overlooking the treetops, a private balcony with fabulous views of the Calgary skyline, a walk-in closet, and a spa-worthy ensuite with a dramatic slate shower and double vessel sinks. Two additional bedrooms and a stunning full bath with a classic clawfoot soaker tub round out the upper floor with charm and personality. The fully developed basement adds remarkable versatility: a large family room with a gas fireplace and reclaimed wood feature wall, a dedicated home library and office with floor-to-ceiling built-in shelving, a fourth bedroom with white walls clad with the same reclaimed wood, and a full bath. Outside, the fully landscaped backyard is a private sanctuary - a generous paved patio with multiple entertaining zones, lush garden beds, mature trees, a greenhouse, and a sizeable detached garage. This yard transforms a Calgary summer into something extraordinary. And the location says it all. Just minutes from downtown Calgary on foot - walk to work, stroll to Rotary Park, bike the river pathways, dine along Edmonton Trail. The aerial photo with the full Calgary skyline in the background tells the story better than words ever could. Homes like this do not come available often. If you have been waiting for a home with history, warmth, craftsmanship, and one of the city's great addresses - this is it.

THE COMMUNITY

WELCOME TO CRESCENT HEIGHTS

Set alongside McHugh Bluff and the Bow River, Crescent Heights is primarily a residential district offering panoramic views of Downtown Calgary from 2 lookout points. It's home to coffee shops, ethnic restaurants, and speciality stores, particularly along Centre Street North. The multi-use Bow River Pathway is popular for cycling and walking. It's 2 km from the Calgary Tower and 4 km from the Calgary Zoo.

THE COMMUNITY

CRESCENT HEIGHTS

Crescent Heights is a historic, diverse, and vibrant inner-city community in Calgary, Alberta, located immediately north of downtown across the Bow River. Known for its stunning panoramic views of the city skyline from Crescent Road, it offers a mix of historic homes, infills, and high-rise apartments. The neighbourhood is highly walkable, featuring local businesses along Centre Street and easy access to Prince's Island Park.

Crescent Heights is a neighbourhood (formerly its own village) located in Calgary, Alberta. It is located in the inner city, immediately north from Downtown. It is bounded to the north by the Trans-Canada Highway, on the east by Edmonton Trail, on the west by 4th Street NW, and to the south by Memorial Drive and the Bow River.

HISTORY

Crescent Heights was originally incorporated as a village on May 1, 1908. It was subsequently annexed by the City of Calgary in 1911 and established as a neighbourhood in 1914.

Crescent Heights was founded in 1895 by Archibald J. McArthur. Crescent Heights, originally its own village, was acquired by land developer and politician Archibald J. McArthur and incorporated into the City of Calgary in 1909 along with the neighbouring community of Tuxedo Park, slightly further north. Crescent Heights experienced a real estate boom in the 1920s and many new homes were built, some of which are still standing today.
