Smaller stands have been excluded to fit in the allowable space

The property depicted on this map has not been surveyed. The acreage is an estimate based upon GIS data. The volume information in this report is based on current information in the seller's inventory system. The information is subject to change due to harvest activities and/or updates resulting from routine maintenance of the inventory system. Neither the owner nor its officers, directors, employees or agents represent or warrant the accuracy or completeness of the ownership acreage, the cover type acreage, timber inventory species, grade or volumes, legal or practical access to the property, or operability.

Although the information in this report is believed to be substantially correct, neither Seller nor its representatives warrant the completeness or accuracy of the information. Each prospective purchaser should make its own determination as to timber volumes, timber quality, logging feasibility, acreage, access, and federal and state environmental and regulatory constraints relating to the use of the property and the harvest of timber therefrom. Seller, its brokers, agents and employees, make no representations or warranties, express or implied, as to the accuracy or completeness of the information contained herein or as to the property, its condition, boundaries, timber volumes, acreage, wetlands, or fitness for a particular purpose. The successful purchaser will accept the property in its present condition, "AS IS, WHERE IS, with all faults", at closing
