Make a Signature Cocktail!

Red, White & Blueberry Mojito

INGREDIENTS (MAKES 1 COCKTAIL):

- 6–8 fresh mint leaves
- 1/2 oz simple syrup (or muddle with sugar)
- 1/2 oz fresh lime juice
- 1 1/2 oz white rum
- A handful of fresh blueberries
- A few fresh strawberries, sliced
- Splash of club soda or sparkling water
- Ice
- Optional: a skewer with blueberries + mini flag for garnish

Instructions:

1. In a sturdy glass, muddle mint leaves, lime juice, and simple syrup together to release the mint oils.
2. Add strawberries and blueberries and gently muddle again (don't over-smash).
3. Fill the glass with ice, pour in the white rum, and top with club soda.
4. Stir gently and garnish with a mint sprig, extra berries, or a festive skewer.

Batch Version for a Crowd: Multiply the ingredients by 6–8, mix in a pitcher (except for the soda), and top each glass with soda as served.
