# WHAT'S NEW?

## JUNE EDITION

- Our team has 11 active listings with 3 new homes scheduled to go live in June!
- We're excited to share that we helped 3 buyers close on their homes last month.
- We guided 4 more buyers under contract on some truly exceptional properties and closed 2 of our listings in May!
- Please join us in celebrating the June birthday of our incredible team leader - the heartbeat of our real estate family here at the Molfetta Team! Your vision, tireless work ethic, and deep well of knowledge inspire us every single day. Thank you for leading not just with strategy, but with heart. Here's to another year of success, laughter, and making big moves -- both in real estate and in life! Happy Birthday!!

# Your June Home Maintenance Checklist

- ✓ Replace water filters in the refrigerator, water dispensers under sink, filtration systems or whole house filtration systems.
- ✓ Use microfiber cloth, duster, or vacuum attachment to clean window blinds slat by slat. For faster results, you can remove them from the windows and soak them in warm, soapy water in the bathtub before rinsing and drying.
- ✓ Clean patio furniture, give your deck or patio a good scrub and replace the faded seat cushions so your outdoor space will be open for business come summertime.
- ✓ Trim back tree branches that could pose a hazard during storms and ensure you have a way to secure outdoor furniture during strong winds. Check outdoor lighting fixtures and replace any burnt out bulbs
