# The Story of the Sale.

24847 Outlook Place

3 BD 3 BA 2429 SF \$1,939,000

Getting a house ready for sale and getting it prepared in the best possible shape is so important. This includes pre-inspections, taking care of little "fix-its", and getting the home looking its best. All of these together give buyers the confidence to move forward with stronger offers.

With the inspections, landscaping, painting and organizing the inside we were ready for primetime. The results speak for themselves. But the greatest success was a happy seller and a happy buyer!
