

Attitash Village

The future vision of Attitash Village includes a wide range of improvements—from refreshed exteriors and modernized interiors to essential infrastructure upgrades and branding enhancements. Every phase has been designed to preserve the distinctive charm and mountain character of our resort while embracing upgrades that meet modern expectations for luxury, functionality, and sustainability.

IN 2026 & 2027, \$8.5 MILLION IN IMPROVEMENTS WILL BE COMPLETED!

A full public rollout of the Attitash Village brand is planned for Q2 of 2026, including new signage, updated marketing materials, and refreshed digital platforms.
