NEWNEST HOMES

Senior Transitions

Providing a single resource for patients and residents along with their families as they navigate the transition into long term care.

OUR MISSION

Senior Transitions is a network of service providers committed to simplifying the details that present themselves as a loved one enters long-term or permanent care.

We are dedicated to creating a feeling of stability and peace of mind while providing open communication and solutions during a difficult time.

OUR SERVICES

Real Estate Services

Our Full Real Estate Package as it relates to our client's property includes:

- Consolidation of personal belongings, coordinating moving services and removal.
- Moving and Setup at Client's new residence with select items from current home to make their new surroundings feel a little more familiar
- Pre-Listing Home Inspection and coordination of small repairs completed prior to presentation to the market.
- Staging of property if needed.
- Deep cleaning property including carpet removal and painting where needed.
- Listing and Selling the Subject Property.

Legal Services

Our network of legal advisors can provide direction and insight into services related to Trusts, Wills, Estate Planning and Power of Attorney options.

Insurance & Financial

Providing specialists who can help you navigate the current insurance, self-payment, Medicare and Medicaid opportunities and limitations.

Additional Support

- Re-homing existing pets with local foster and rescue services.
- Maintaining grounds of existing home prior to transfer.
- Working with facility and staff to provide any additional support to family members.
