

BESO Registered Energy Assessors for Houses (1-4 unit residential buildings)

BESO Home Energy Assessments must be performed by a Registered Home Energy Assessor. The City of Berkeley does not endorse or warrant any specific Registered Energy Assessor. The selection of a Registered Energy Assessor is left to the discretion of the property owner. For buildings with 2-4 stacked residential units, please select qualified assessor (reference column). For buildings with 5+ residential units, please see Commercial & Multifamily Assessor List.
