Leeman & Gately: Your neighborhood agents

Jill Leeman (left) and Lorraine Gately head a team of agents who serve Melrose, Greater Boston, and the North Shore.

With 30-plus years of experience in selling real estate locally, the Lemman & Gately team considers itself “your neighborhood Realtor®.” After many years of working together for other agencies, Jill Leeman and Lorraine Gately realized they had the same love for clients, strong work ethic, and a desire to continuously learn about their industry.

In 2019, the two women decided to establish their own agency, which now serves Melrose, Greater Boston, and the North Shore. Their partnership with Compass

provides them with innovative technology that supports their staggering growth in clientele.

As two Melrose natives, Leeman and Gately — the number-one team in Melrose for sales volume in 2021 — have extensive knowledge of their community, both in town and in the neighborhoods. With 15,000 Compass agents around the country as colleagues, they have a collaborative community that can provide unlimited co-brokering and referral opportunities.

This partnership puts your home in the hands of potential buyers across the country. They are full-time agents who love what they do and have a modern approach on how to sell your home.
