

Iron Works Realty is Denver's Preferred

Estate & Asset Management Realtor®

Why Choose Iron Works?

With 20 years in the industry, our expertise in the Colorado real estate market is unmatched. We work with conservators, personal representatives, and asset managers on a daily basis and bring a wealth of knowledge to every transaction, ensuring the best outcomes for our clients.

We prioritize understanding and compassion in all our interactions and work with a sense of urgency to stay ahead of deadlines. Our team is here to support our clients through every step, making the process of managing and selling estate and inherited property as stress-free as possible.

From property valuations, to property cleanup, pre-listing property management, to professional staging & marketing, we take care of everything our clients need to manage and sell property under one roof.

About Us

At Iron Works Realty, we understand the complexities and emotional challenges of being a fiduciary. Led by Jeff Piquette, a seasoned real estate expert and licensed contractor, our team is dedicated to providing comprehensive real estate solutions.

With more than two decades of experience in transaction management, probate administration, estate management, and selling properties, Jeff has built a team of industry professionals to offer unparalleled support to personal representatives, conservators, and families during difficult times.
