

Luxury Presence Mobile App — Client Onboarding & Best Practices

Getting Started

Your agent will invite you to collaborate via **email** or **text message**.

- **Email Invitation**

- You'll receive an email from **listings@luxurypresence.com**.
- Click the “**Join Collaboration**” button — this will take you to the **App Store** to download the Luxury Presence Mobile App and log in.

- **Text Invitation**

- You'll receive a text from **885-614-0999** with a direct link to download and log in to the app.

Tip: If you don't see your email invitation, please **check your spam folder**.

Once you're in the app, you'll receive **all notifications directly through the app** — no need to check your email or text messages for updates.

Logging In for the First Time

1. Enter your information when prompted.
2. Follow the guided setup to create your **first saved search** — this will power your personalized **For You** page.

If you log in and **don't see your collaboration with your agent**, return to your original email invite and click “**Join Collaboration**” again.

Navigating the App

- **For You Page**
See listings shared directly by your agent and updates from your saved searches. Scroll through listings, and **like, dislike, or share** properties directly within your collaboration.
- **Search Page**
Browse MLS listings, create your own saved searches, and share interesting properties with your agent.
- **Collaboration Page**
View shared properties, searches, notes, and vendors. Communicate seamlessly with your agent through comments or notes.
 - Receive **push notifications** whenever your agent updates your collaboration.
 - Invite your partner or collaborators to join and stay in sync.
- **Saved Page**
Access all your **liked/disliked properties, recently viewed listings, and saved searches** — neatly organized in preset folders.
- **Updates Page**
View all notifications in one place. Track your agent's activity and get real-time updates on your saved searches.

Why Use the App

The Luxury Presence Mobile App keeps **everything between you and your agent in one place** — simplifying your home search by replacing scattered communication across email, text, or social media.

Stay connected, organized, and up to date — all in one seamless app experience.
