With an open layout, vaulted ceilings, and walls of windows, every inch of this condo feels bright, welcoming, and connected.

The main level features hardwood flooring in the kitchen, an open dining and living room space, and a charming sitting deck just off the living room, perfect for morning coffee or unwinding in the evening.

The primary suite is a peaceful retreat with a spacious bathroom featuring double vanities, a walk-in shower, soaking tub, and a large walk-in closet.
