WELCOME TO

100

Las Olas

HOTEL | RESIDENCES | RETAIL

Soaring above vibrant downtown Fort Lauderdale, 100 Las Olas will be the city's tallest building: 46 levels, 121 luxury residences, 238 hotel guest rooms, fine dining and select retail space. Iconic architecture, designed with a contemporary aesthetic, incorporates curved geometric shapes clad in steel and glass creating the feeling of complete transparency and light transmission.

WELCOME TO 100 LAS OLAS. WELCOME HOME.

The Kolter Group

Headquartered in Palm Beach County, Florida, Kolter has introduced a vision for luxury that is continually raising expectations for homebuyers and establishing new standards for the industry. Committed to “Creating Better Communities,” The company brings over twenty years of innovative residential development to each new endeavor. The Kolter Group recognizes that with each new home sale, there is an inherent commitment to deliver not just a quality residence, but a unique, amenity-rich lifestyle. With that in mind, the company strives to deliver the most sought-after, energy-efficient designs, complete with the finest finishes and amenities. Kolter has developed over \$10 billion of residential projects (both completed and in process) including a number of exceptional condominium residences in water-front, water-view and amenity-rich walkable urban locations.

SB Architects

Over the past 50 years, SB Architects has established a worldwide reputation for excellence and leadership in the planning and design of large-scale hotels, resorts, destination resort communities, and all associated resort amenities, as well as large-scale multi-family residential and urban mixed-use projects.

Simeone Deary Design Group

Simeone Deary Design Group, established in 2002 by Lisa Simeone and Gina Deary, is an award-winning interior design firm with a distinct artistic perspective to create provocative spaces evoking imagination and conversation. From conceptual design and interior architecture through graphics and branding, Simeone Deary’s involvement in a project goes well beyond design. Since its inception, the Chicago-based Simeone Deary Design Group has amassed a resume of well over 100 hotels and high-end projects including new construction, adaptive reuse, renovation and conversion for a variety of industries.

**Bob Martin of
The Decorators Unlimited**

Founded in 1985 and headquartered in South Florida, The Decorators Unlimited is one of the world’s premier interior design firms. Its creative staff has created beautiful luxury spaces around the globe, offering comprehensive interior design and collaborative consulting on projects both big and small. Award-winning interior design projects feature stunning details and exquisite furnishings, fabrics and finishes.

OneWorld Properties

OneWorld Properties, led by Peggy Olin Fucci, is a Florida-based full service real estate brokerage firm specializing in the sales and marketing of luxury residential condominium properties worldwide. In 2008, OneWorld Properties was formed with the goal to create a new kind of brokerage with honesty, drive and enthusiasm that would deliver fresh and innovative ideas. OneWorld provides a unique approach partnering with developers from idea to strategy development to create an integrated sales and marketing program. OneWorld was built on a foundation emphasizing a culture of teamwork and collaborative thinking among all of its agents. This approach has proven to be a successful business model.
