Stated square footages and dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior dividing walls and reflect vary from the square footage and dimensions that would be determined by using the description and definition of the "Unit" set forth in the Declaration which generally only include the interior spaces between the perimeter walls and exclude all interior structural components and other common elements. The method is generally similar to other methods and is provided to allow prospective buyers to compare the units with units in other condominium projects in the area. Measurements of room and building floor plan are generally taken at the farthest points of the room or building. All dimensions are estimates which will vary with actual construction, and all floor plans, specifications and other development plans are subject to change and will not necessarily accurately reflect the final plans and specifications for the development. All depictions of appliances, counters, walls, floor coverings and other matters of detail, including without limitation items of finish and decoration, are conceptual and are not necessarily included in each unit. EQUAL HOUSING OPPORTUNITY.
