## *The Heart of Miami Beach The Soul of The Côte d'Azur*

**MIAMI BEACH'S MEDITERRANEAN-INSPIRED ADDRESS,  
MONACO YACHT CLUB & RESIDENCES CAPTURES THE ESSENCE  
OF CONTEMPORARY COASTAL CHIC**

Miami Beach is to the United States, as Saint-Tropez is to France and Portofino is to Italy—a vibrant, year-round, seaside retreat, where trade wind breezes and tropical sunlight are most conducive to leisure activities and pursuits of pleasure both on and off the water. And like its Mediterranean counterparts, Miami Beach has a cool, captivating vibe. Home to iconic deco hotels, world-class shopping, mega yacht marinas, nonstop nightlife, restaurants with serious culinary cachet and a deepening arts and cultural scene, Miami is working its international stature and growing apace.

At Monaco Yacht Club & Residences, the spirit of the Cote d'Azur is imbued in every carefully appointed design detail—a rich palette of exotic woods, lavish European and American stones, warm whites and lustrous metal adorn interiors—while soaring floor-to-ceiling glass windows frame commanding views of Biscayne Bay, the Atlantic Ocean and the Miami skyline. Above all, Piero Lissoni's inimitable, purist sensibility seamlessly blends indoor and outdoor living spaces, infusing each residence with an aura of Mediterranean high-style.

Côte d'Azur-inspired reception and lobby areas, curated by Lissoni®

Floor-to-ceiling windows in the double-height lobby frame sweeping views of the Intracoastal and private marina.

Panoramic views of the Miami skyline are afforded from the rooftop terrace featuring pool, jacuzzi, sun deck with plush chaise lounges and shaded seating areas complete with outdoor grill and chef's table for entertaining.

*A haven of coastal calm,  
Piero Lissoni's concept  
is imbued throughout every  
facet of this treasured property.  
Each residence is delivered  
fully-finished with a masterfully  
curated selection of fine fixtures  
and finishes, reflecting his  
devotion to uncompromising  
craftsmanship.*

*The aesthetic is warm  
whites and rich woods  
rooted in the essence of a  
Côte d'Azur summer resort.  
Ocean-inspired materials and  
modern details lend an aura  
of Mediterranean high-style.  
The elegant embodiment of  
sea and surf, Lissoni® delivers  
European luxury to the heart  
of Miami Beach.*

*Monaco Yacht Club & Residences boast enormous outdoor living areas with dramatic water views that take in Miami's glittering skyline—extending all the way to the Atlantic Ocean on one side and Biscayne Bay on the other.*

## *Chef-worthy Kitchens*

### HAUTE CUCINE

In keeping with modern European style, kitchens feature Boffi® contemporary Italian cabinetry, imported stone countertops and sleek Miele® appliances, including concealed refrigerator and dishwasher, convection oven, built-in coffee maker and wine storage.

Island cook-top with downdraft exhaust system enhances open-concept floorplans and allows for unobstructed views.

Well-proportioned living rooms framed by floor-to-ceiling glass and sweeping bay, ocean and city skyline views adjoin extra-deep terraces for seamless indoor-outdoor, open-air living. Featuring integrated lighting, the Crestron® Home Automation System offers state-of-the-art "Smart Building" technology.

## *Masterfully Designed Master Bathrooms*

### **SERENE SPACES**

Thoughtfully positioned, floor-to-ceiling windows bathe master bathrooms in abundant, natural light. Deep soaking tubs, frame-less glass wet rooms with rain shower heads, double vanities with designer sinks, and imported marble flooring and walls bring quiet tranquility to these elegantly rendered, spa-like sanctuaries.

Sweet dreams become resplendent reality in spacious master suites that feature soaring ceilings, abundant closet space (some residences feature multiple walk-in closets) and floor-to-ceiling sliding glass doors that provide direct outdoor access to generously scaled terraces.

Two half-floor penthouses feature extra-deep, wrap-around terraces with east-to-west views of Biscayne Bay on one side and the Atlantic Ocean on the other. Equipped with electric outdoor grills, these privileged perches are the perfect place for alfresco dining.

## *On the Waterfront— Miami's Most Leisurely Nautical Pursuits At Your Door*

### MIAMI BEACH'S MOST MASTERFULLY-CONCEIVED MARINA USHERS IN A NEW WAVE OF APPOINTED AMENITIES

In South Florida there's water, water everywhere but none more highly prized than Miami's famed Biscayne Bay and Atlantic coastlines. And nowhere can you find more opportunities to experience aquatic diversions—or embrace the nautical lifestyle—than Monaco Yacht Club & Residences' private marina. Offered exclusively to residents, this modern, waterfront property's Intracoastal marina features twelve slips designed for large vessels.

Just a short, overhead cast away is every water sport under the tropical sun, from motor-yachting to sea kayaking, paddle boarding to deep-sea fishing, as well as scuba diving and snorkeling along North America's only barrier reef. A boater's happy haven, Monaco Yacht Club & Residences invites water-lovers to cast off the bow lines and indulge in a world of pure, nautical leisure.

For land-lovers, exclusive beach access is mere sandal steps away. Slip on your flip-flops, grab your sunscreen and take a short stroll past the open-air cafés and sea grape-lined dunes of Collins Avenue to Miami Beach's most sublime shoreline. Accessible via Monaco Yacht Club & Residences' exclusive point of entry, the miles-long swath of sand that edges the MiMo district is quieter, calmer and less crowded than beaches found to the south. Sunbathers, sunrise yogis and solitude seekers alike cherish this perfect peace and tranquility.

*Miami is America's Riviera, the country's, and increasingly, the world's winter playground. Beloved by local insiders and holiday-makers alike for its tropical beauty and year-round warm weather, Miami Beach has quickly become known as the host with the most—setting the stage for high-profile, international events including Art Basel Miami Beach, Miami Beach Polo World Cup, Miami International Boat Show and the South Beach Food and Wine Festival.*

*An emerging epicenter of art, fashion, food and culture—the real life of Miami lies in its diverse neighborhoods. From the buzzy, fashion flagships and open-air cafés of the Design District, to the indie boutiques and artistic outposts of Wynwood, to the white sand beaches, iconic deco hotels and international culinary scene of South Beach, Monaco Yacht Club & Residences finds itself perfectly poised in the very heart of this vibrant, cultural capital.*

*Monaco Yacht Club & Residences sit like  
a jewel on the shores of Miami Beach's  
Intracoastal waterway, surrounded  
by an impressive assembly of the city's  
cultural riches including outdoor  
performing arts spaces, major museums,  
botanical gardens and cinematheques—  
all set against a dramatic backdrop of  
sweeping Biscayne Bay and ocean views.*

# *A Creative Collaboration*

**PIERO LISSONI**  
**MASTER OF MODERN MINIMALISM**

Internationally acclaimed designer Piero Lissoni and namesake principal of Lissoni® architecture and design studio, believes the singular, sensational magic of Miami lies in its ever-changing light—the unique way the sun’s rays filter through fast-moving clouds, reflecting off rippling water—reminiscent of the ultra-chic municipality of Monaco and equally glamorous French and Italian coastal towns along the Riviera.

With that in mind, Lissoni® has collaborated with Arquitectonica and Optimum Development USA to infuse Monaco Yacht Club & Residences with an aura of the Cote d’Azur, as well as the signature purist sensibility he’s become known for across high-profile projects around the globe. His vision for this modern, glass-encased, waterfront Miami Beach enclave is a celebration of light, space and surf. “The water’s real meaning is life,” notes Lissoni, referring to the aquamarine panorama visible through floor-to-ceiling windows in each light-filled, impeccably finished residence. “Every morning when you wake up, you see the water and think, ‘Okay, life is good.’”
