Chris McDonald

TOP PRODUCER
KELLER WILLIAMS REALTY

Chris McDonald is a top-producing REALTOR® with Keller Williams Realty entering his 15th year in the real estate industry. During his career, he has helped clients buy and sell more than 300 homes, closing over \$80 million in real estate transactions.

Before real estate, McDonald spent 15 years as a school teacher, where he developed a passion for educating, encouraging, and serving others. He learned that every student—and every client—has unique goals and deserves personalized guidance, honest communication, and someone who genuinely cares about their success.

Those same principles shape the way he serves buyers and sellers today. Whether explaining contracts, negotiating on a client's behalf, or guiding important decisions, McDonald believes informed clients make confident decisions.

An award-winning agent, he has built his reputation on hard work, integrity, and consistently delivering outstanding results. Clients describe him as driven, encouraging, competitive, and willing to outwork the competition to achieve the best possible outcome.

One of McDonald's greatest strengths is pricing strategy. He combines market data, buyer behavior, neighborhood trends, and experience—what he jokingly calls his "REALTOR® Spidey Sense"—to position homes for maximum exposure, strong buyer interest, and the highest possible sales price.

Committed to continual learning, McDonald stays current on market trends, technology, contracts, and marketing strategies so he can provide clients with knowledgeable advice and exceptional service.

Whether representing first-time homebuyers, luxury home sellers, growing families, or experienced investors, Chris combines market expertise, strategic marketing, honest communication, and relentless dedication to make every transaction as smooth and successful as possible.

When you hire Chris McDonald, you're partnering with a trusted advisor, skilled negotiator, experienced educator, and dedicated advocate committed to protecting your interests and helping you achieve your real estate goals.
