

THE PROJECT:

CLIENT

SUNNYSIDE RESIDENCE

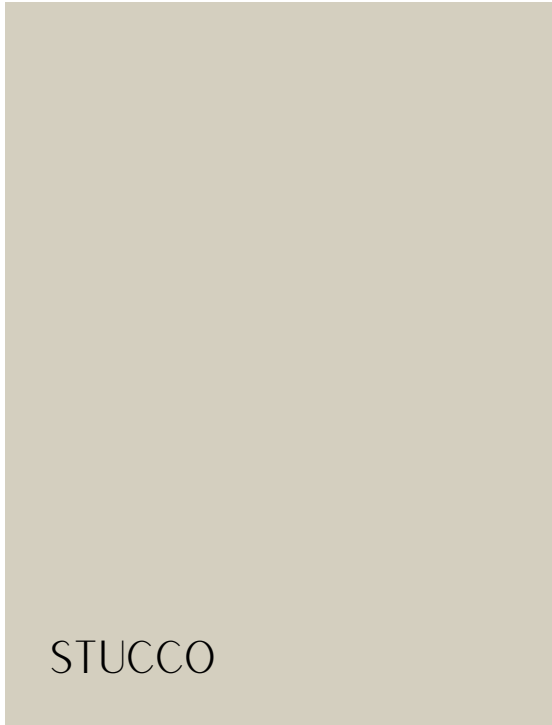

LOCATION

11831 N 70TH PL
SCOTTSDALE, AZ

The Design initiative seeks to transform a Scottsdale residence into a sanctuary of **Elevated Traditionalism**. By moving away from stark minimalism and embracing a "Cozy Modern Traditional" aesthetic, the home will serve as a refined retreat that feels both curated and lived-in. The goal is to create a timeless Scottsdale home that is as comfortable as it is stunning.
