

1930's Mediterranean Residence in Heart of Beverly Grove

6300 Lindenhurst Avenue, Beverly Grove | \$2,395,000 | 6300Lindenhurst.com
5 bd | 3 ba | 3,037 sq ft | 6,179 sq ft lot

Grand Dame 1930s Mediterranean residence in the heart of Beverly Grove. A classic layout spanning more than 3,000 square feet with preserved period detail, thoughtful updates, large scale and classic comfort a stellar and quality vintage home, harder and harder to find today. Enter through a wrought iron gated courtyard into a center hall plan and formal entry, where a sweeping staircase rises beneath a leaded stained-glass skylight. The main floor unfolds to multiple public spaces including: a high-ceiling living room washed with daylight from multiple exposures and an impressive wood-burning fireplace, formal dining room, a richly paneled den (5th bedroom or media room) opening directly onto the yard through French doors...all offering plaster detail, narrow gauge original oak hardwood floors and other textured features. The kitchen provides top-of-the-line appliances, ample storage, and an adjoining breakfast room overlooking the garden. Completing the first floor is a guest suite with recessed lights, California basement for extra storage, 3/4 bathroom, separate laundry/mudroom, and dual zone HVAC. Upstairs are 3 large bedrooms, including the capacious primary suite with dressing room/walk-in closets, private balcony overlooking the courtyard, and a marble-clad bath with separate tub and shower. Two additional bedrooms share a Jack-and-Jill bath; a rear deck completes the upstairs. The rear of the home offers various spaces...lawn area, patio for al fresco dining, and direct access to the garage. Rarely does a residence at this price, with this level of character and scale come to market, set in a central location near The Grove, LACMA, the Academy Museum, Fairfax/Wilshire Metro Line (opening fall '25) and some of the city's best shopping and dining.
