Miami

Oral representations cannot be relied upon as correctly stating the representations of the developer. For correct representations, reference should be made to the documents required by section 718.503, Florida statutes, to be furnished by a developer to a buyer or lessee. This offering is made only by the prospectus for the condominium and no statement should be relied upon if not made in the prospectus. This is not an offer to sell, or solicitation of offers to buy, the condominium units in states where such offer or solicitation cannot be made. Prices, plans and specifications are subject to change without notice. We are pledged to the letter and spirit of US policy for the achievement of equal housing opportunity throughout the Nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, familial status or national origin. Plan shown represents floor level 55. Units experience a 2 2/3" setback per floor for higher floors and 2 2/3" increase per floor for lower floors. Please see sales counselor for details on residence room dimensions for other floor levels as dimensions vary by floor. All dimensions are approximate and subject to normal construction variances and tolerances. Sponsor reserves the right to make changes.
