

The site plan of the Common Area is an irregular polygon with a total area of 158.32m². The boundary is defined by a dashed black line. The plan includes several dimensions and offsets:

- Top Boundary:** A horizontal segment of 14.71m, followed by a curved segment of 9.42m, and a curved segment of 14.46m.
- Right Boundary:** A vertical segment of 27.25m, followed by a curved segment of 13.30m.
- Bottom Boundary:** A curved segment of 11.25m, followed by a horizontal segment of 6.12m, and a curved segment of 3.20m.
- Left Boundary:** A curved segment of 32.54m, followed by a horizontal segment of 19.83m.
- Internal Features:**
 - A red dashed line indicates an internal boundary or path, with several 3.00m offsets from the main boundary.
 - A 4.00m offset is shown from the bottom-left corner towards the center.
 - A 3.00m offset is shown from the top-right corner towards the center.
