

Run Away To River Run

COMPASS

Imagine a fully renovated resort-like setting with every indulgence meeting the needs of your greatest desires from a personal tennis court, home gym, wine cellar and 140 feet of private riverfront with picturesque double waterfalls.

Indulge in the property's indoor pool and spa with steam room as one of the many amenities. Perennial walking trails throughout the ample acreage lead to green and serene spaces for contemplation, yoga or meditation. Imagine the experience and ease of multi-generational luxury with more than 11,000 square feet of high design.

This riverfront masterpiece offers the opportunity to experience the simplicity of bliss in the same setting where the Gershwins and The Beatles were inspired!
