# The Details

5 BR | 4.5 BA | 3,542 SF | 3 Car Garage

Stunning 5BD/4.5BA newer-construction home showcasing timeless Lowcountry architecture and elevated finishes throughout. Features include a welcoming front porch with gas lanterns, shiplap-accented foyer, open-concept living, and a gourmet kitchen with quartz countertops, premium appliances, and cascading multi-slide doors opening to a screened porch. Main-level primary suite offers porch access, oversized custom closet, and dual vanities. Upstairs includes flex space, three bedrooms, two baths, and a pocket office. A highly sought-after FROG ideal for guests, office, or media room. Smart home features throughout, fenced backyard, and manicured landscaping. 2-car garage plus dedicated golf cart garage. Move-in ready—an exceptional opportunity to begin Lowcountry living.
