What do you love most about Your City?

The Pacific Ocean. All the pressure, traffic and anxiety recedes at the sea. I start most days working out at the beach.

Favorite breakfast meal & restaurant?

Pancakes At Dupars in the Original Farmers Market. My grandfather took me there as a toddler and I've been hooked ever since.

What are you doing at:

6:00 AM - Terrorist negotiation with one of my 3 kids. Which usually gets resolved by me giving them my Ipad in exchange for a few extra minutes of shut eye.

10:00 AM - I'm at the office making calls, sending texts and emails and setting up appointments and property tours.

12:00 PM - Favorite Power Lunch spot/meal?

South Beverly Grill or cabana café at the Beverly Hill Hotel pool. Tomato soup and McCarthy Salad.

(11863 Darlington Ave #106 Brentwood, CA 90049)

7:00 PM - I Try to get home to have dinner with my wife and kids.

11:00 PM - I usually watch Southern Charm with my wife if she's still up or sneak in a few episodes of Narcos or Fauda and go to bed.
