Spanning over 5,200 sqft, this meticulously crafted 5 BD/4.5 BA smart home sits on a nearly 8,000 sqft lot. The grand entryway, framed by 20-foot ceilings, sets the tone for the home's spacious design. The main level, the core of the home, features formal living and dining rooms, chef's kitchen, office/bedroom flex space and a breakfast nook. Floor-to-ceiling Fleetwood glass pocket doors open to a luxurious pool area complete with a built-in grill and a grassy pad. The expansive kitchen boasts custom cabinetry, Wolf stainless steel appliances and unparalleled storage. Upstairs, you'll find four oversized en-suite bedrooms. The primary suite is a true retreat, featuring a fireplace, spa-like bathroom, and a large walk-in closet. Additional amenities include a Crestron home automation system, hardwired security system & cameras, gated parking, dual climate zones, and seamless indoor-outdoor living year-round. This home is ideal for families, professionals, or those in the entertainment industry. Its prime location offers easy access to LACMA, CBS, and the vibrant dining scenes of Beverly Hills and West Hollywood, providing unmatched convenience and entertainment options.
