Video Walk-Through

Understated from the street, yet exhibiting absolute attention to detail, this property exudes "chic-beach" opulence throughout. Recently completed, this refined and pristine beach estate offers 75' of sandy beach frontage. Located at the end of a private lane, off of PCH, this gated property affords privacy & security with only one neighboring home & nothing but sandy beach to the West. This custom designed home has features unlike any other, including self-opening, floor to ceiling sliding glass doors, a dedicated level for the master suite which includes a separate parlor with 3/4 bathroom, Chroma-therapy & Bluetooth shower, motorized window treatments, enormous private deck w/ spa, fireplace & outdoor kitchen all encased in marble. The main level consists of a modern kitchen, great room, fireplace & en-suite guest bedroom. Downstairs are two additional bedrooms suites, a sitting room & private theater w/ bar.
