Amber Eminence

Located on one of the most prestigious view ridge lines in the city, this is 1 of only 15 homes on the "front row" of the Hollywood Hills. This ridgeline offers the best views in all of Los Angeles. Recently renovated with only the finest materials, the sun-soaked villa has skylights and dramatic walls of glass that effortlessly blend with organic hardwoods to create a world-class modern getaway above it all. Mature olive trees and drought-resistant plantings invoke the Italian Riviera, the spacious patios offer ample space for large-scale entertaining and the infinity-edged pool faces endless sunset views. With unobstructed vistas high above the entire city, from the DTLA skyline to the Pacific Ocean and Catalina Island, you'll immediately feel at home with the stars.
