# Blissful Grove

Nestled on an exclusive street in Beverly Hills, this magnificent estate commands attention as you approach it via a winding, private and gated drive. Mere moments from the bustling heart of Sunset Blvd., it combines the convenience of Beverly Hills with the serene seclusion of a gated compound. Crafted by the renowned architect, William S. Beckett, this contemporary masterpiece has been graced by cultural icons and industry titans throughout its storied history. Following an extensive restoration in 2012, the property now stands as a haven for entertainers. The interior boasts grandeur with its soaring ceilings, floor-to-ceiling glass windows, and exquisite walls adorned with wood, stone, and pristine white porcelain tile. A Crestron smart home system, complete with built-in speakers throughout, enhances the living experience. The expansive gourmet chef's kitchen, accompanied by a separate prep kitchen, game room, wine cellar, and state-of-the-art home theater, ensures that every desire is catered to. The primary suite indulges with two colossal walk-in closets, a private deck featuring a jacuzzi, and sweeping vistas of Beverly Hills. The outdoor oasis encompasses a generous tiled patio, a tranquil Zen garden, a poolside pavilion, a built-in bar and grill, and a stunning glass-walled pool and spa, all set on just under an acre of perfectly flat land. Replete with opulent finishes, this trophy estate represents the pinnacle of luxury real estate.
