Welcome to La Fin. Set on a 2-acre lot, this sprawling estate offers 12 spacious bedrooms, 17 bathrooms, incredible amenities, and panoramic views of Los Angeles. Just beyond the gated motor court, take steps down to the oversized glass entryway to one of the most beautiful and opulent homes in the world. A spiral staircase surrounds a stunning 44' chandelier made of 55,000 crystals and is just one of the incredible custom lighting sculptures throughout the home. Main level features a custom stone bar that flows into the formal living area with a massive hand carved stone latticework fireplace. All the furniture was custom made for La Fin by Italian luxury brand: La Contessina. Motorized Fleetwood pocket doors open to the infinity edge pool with an incredible 23' LED screen that rises at the touch of a button and a 30-person lounge area with firepit. Lower level provides a 6,000 SF entertainment area with 18' ceilings, custom bar, commercial grade catering facilities, 1,050 bottle wine cellar, cigar lounge, sub-zero vodka tasting room, and an incredible 6-car automated display auto elevator. Additional amenities on lower level include outdoor lounge area, fitness center with climbing wall, spa, steam room with backlit Onyx, massage room, and sound-proof cinema. The second level features a grand primary suite with Italian hand-crafted floor to ceiling oak cladding, lounge area, coffee bar, spa-like bathroom with Calacatta gold marble, 100 SF shower, solid marble vanity, dual showroom-style walk-in closets, and private wraparound balcony with sweeping views, spa, firepit, and TV. The rooftop deck offers additional outdoor/entertainment space with built-in seating, firepit, TV, spa, and even more incredible views. Caretaker residences and detached guest suite offer ample space. Fingerprint technology and security command center provide the utmost privacy and safety. The meticulously designed and curated La Fin is a once in a lifetime Bel Air estate that cannot be replicated.
