# Paradise Spot

Perched at the end of a quiet cul-de-sac just above the Sunset Strip, this recently renovated contemporary estate features panoramic city skyline and canyon views. Secure and private, the home is replete with new European white oak floors and an open floor plan with floor-to-ceiling sliding glass doors that lead to the sparkling pool with built-in waterfall and spa. A separate grassy yard and built-in BBQ makes this the perfect setting for indoor-outdoor living and entertaining. The chef's kitchen has luxurious Viking appliances and an oversized island with built-in breakfast bar, and a stunning dining room wrapped in oak. Upstairs lies the massive primary suite featuring jetliner views of the entire city, a huge deck, fireplace, and an open ensuite bath with spa-like tub and walk-in closet. 2 additional bedrooms with ensuite baths completes the upstairs. The 5th bedroom has its own separate entry and can be used as gym. Additional sauna, wine cellar, and an attached 2-car garage complete this contemporary masterpiece.
