Luminous Infinity

Boundless luxury encompassed by a brand-new, Modern estate, is sited on over 33k sq.ft. of pristine, gated Beverly hillside. On a cul-de-sac in the canyons, between Franklin and Benedict, just south of Beverly Park, sits your nearly 10,000 sq.ft. dream build, showcasing peerless California living in one of the most iconic neighborhoods in the city. Through a glass doorway, you are immediately greeted by a clean-cut, wooden entry foyer illuminated by a custom chandelier and museum lighting. Opulent by nature, sunlight trickles through organic Angeleno forestry and through a disappearing glass wall to paint your sumptuous living room, Miele kitchen, and fireplace. Elegance awaits in the formal dining with an original chandelier and wood-beamed ceiling. Of the 6 impressive bedrooms, the primary suite is substantially superior: Dual baths, dual closets, fireplace, lounge space, private balcony peeking out onto the city, and state-of-the art A/V system. Designed for comfort and entertainment, every room is an exquisite display of just that. Between the 300+ bottle temperature-controlled wine room, gym, office, and home theater with cutting edge technology, there isnt a reason to leave. With the Los Angeles cityscape at your fingertips, a massive backyard complete with a covered patio, cabana, wood decking, and infinity edge pool, 9814 Curwood transitions quickly from a stunning home into an idyllic destination. With a 3-car garage and additional parking for 6, entertaining is truly made effortless.
