This absolutely stunning custom built 6,195 square feet home opens with a beautiful grand foyer entrance. The first floor boasts a stunning formal living room, convenient office/library area, den and entertainment bar, elegant dining room, gourmet high-end kitchen, breakfast space, walk-in wine cellar, laundry room with maximum ample storage space and of course an ensuite bedroom. Two fireplaces with custom one of a kind stone work adorn the living areas along with authentic wood flooring throughout. All dining, kitchen and den areas also have a direct opening to the unique backyard enchanting oasis. Surrounded by lush landscaping, pool and spa duo, 1/2 bath and a private BBQ hosting area. Truly an entertainer's delight. Lavishly take the elevator or the grand staircase to the second floor. With five total rooms upstairs, three of them being large en-suite bedrooms, one being an office/bedroom with another en-suite bathroom. And of course, the Master suite which has two terraces, a personal fireplace, high vaulted ceilings with custom wood beams, and a private secluded sitting area. Additionally, a private hall leads down to one of the two master bathrooms. Interior designer for all the luxurious and one of a kind fixtures and hardware is Sherle Wagner. Custom woodwork is consistently showcased throughout. Lastly, the home is equipped with ample parking as well as a gated entrance, two car garage, and lavish circular driveway. State of the art camera security system is currently installed and has convenient ease of walkability to stores, restaurants and entertainment options in close proximity to its prime location!
