Luminous Horizon

Brought to you by Group S Architects with interior and exterior designed by Tagfront, this new contemporary estate was constructed using the finest materials featuring breathtaking views of the city and ocean from nearly every room in the house. Designed to exemplify the beauty of organic elements, this architectural triumph is perched high up on the hillside in the coveted Beverly Hills area. Custom marble is book matched to seamlessly transition from piece-to-piece with natural wood features incorporated throughout, the timeless design is a perfect blend of modern architecture and natural warmth. With multiple wrap-around terraces, a spacious rooftop patio, and an infinity edge pool and spa, the home boasts incredible outdoor space, ideal for dining al fresco and entertaining. Adjacent to the expansive living room and bar, the chef's kitchen with professional grade appliances is designed and manufactured by Boffi. The master bedroom is situated conveniently on the southwest corner of the home to provide the perfect ambiance showcasing the view with an opulent closet and bathroom. Along with the Crestron smart home system and automatic floor-to-ceiling doors, this home is equipped with all the modern amenities anyone would ask for. Unbelievable sunsets can be enjoyed from any vantage point of this one-of-a-kind Beverly Hills masterpiece. This is an incredible architectural and design triumph that is truly the epitome of luxury and style.
