An exceptional take on a designer-done contemporary Spanish, this is Casa La Jolla. The perfect blend of 1920's classic storybook elevated with today's high standard of comfortable luxury, this breathtaking residence is quite possibly the best Mediterranean setting in all of West Hollywood. An idyllic escape on one of WeHo's most sought after streets, this rare gem will take your breath away. A private, dreamy resort vibe in the heart of everything LA makes this home both a bespoke hideaway and a convenient lifestyle-centric oasis. Custom curated by one of LA's most premiere residential Artists, House of Shoor, this rare gem has it all. The expansive main house welcomes you with four bedrooms and four bathrooms including a warm formal living room, a spacious dining room, a thoughtful Chef's kitchen opening up to an airy family room, a glass lined guest suite currently dressed as a home office, and a magazine worthy primary suite reminiscent of your favorite five-star resort, all downstairs. Step outside to bask in quintessential California indoor/outdoor living with lush front and rear gardens, a soothing hot tub and swimming pool, and a stylish cabana that transcends you to a day at the Beverly Hills Hotel. Upstairs, enjoy two additional volume filled guest suites each with its own tropical tree-lined patio deck, capturing vacation-like scenery that removes you from the buzz of Tinseltown. Live the life with full smart home technology, soft textured plaster walls, best-in-class finishes, timeless details throughout and an aesthetic that will move the most discerning of tastes. Tucked away behind serene privacy hedges and gates yet so close to Hollywood's most celebrated restaurants, boutiq
