Manor Pristine

Manor Pristine

Holt House by Hal Levitt. World renowned mid-century architecture, nestled within Beverly Hills' most prestigious private enclave. Featured in numerous publications and recognized as one of the most important modern homes of Southern California. Magnificent museum-quality with impeccable craftsmanship throughout. Behind gates, at the end of a long private driveway. The entertainment areas are built around the courtyard which creates indoor/outdoor enjoyment with lofty ceilings, fully glazed walls, and dark terrazzo floors. A fascinating bridge is perched over the lavish pool connecting the private wing of the house with the living room. Gorgeous gardens surrounded by mature trees, rooftop deck, a detached guest house, all with utmost privacy.
