# Golden Meadow

Positioned privately behind mature trees and security gates, this 3-story home welcomes you with 20+ foot ceilings, an ivy-lined exterior and an elegant entryway. A wide staircase (one of two) leads to the top floor that features five oversized ensuite bedrooms, all located near one another. The Primary suite is highlighted by a vaulted ceiling, private terrace, kitchenette, two bathrooms and two closets. The elevator guides you down to the main floor which features the living and entertaining spaces, breakfast room, wet bar, private office, maid's quarters, and a large dining room that is bordered by the butler's pantry and contains one of the two walk-in pantries. The kitchen is surrounded by windows allowing light and views of the immaculate pool, spa, and water feature. The backyard has space to add a half-court basketball court or an additional grass area. The home's basement features a second wet bar, sauna, bedroom, bath, and a considerable storage area. Rarely does a property become available with all these features and generously sized bedrooms and bathrooms. Located minutes away from The Beverly Hills Hotel, Rodeo Drive, and all that Beverly Hills has to offer.
