Cascade House

Cascade House

A private, walled & gated architectural tour de force. This high-tech wellness home is fully equipped with state-of-the-art amenities. The elegantly curved arrival court leads to reflecting pool entry & a soaring great hall with Smokey quartz crystal centerpiece, drawing the eyes to mature landscaping and unobstructed canyon views. An expansive dining room, temperature controlled wine wall & chef's kitchen with professional grade appliances complete this floor. The lower level doubles as a private spa including separate sauna/steam room, massage, gym/yoga studio & juice bar. Adjoining entertainment space features sound proofed screening & game room. An oversized master suite commands the upper level with sitting room/fireplace, library & office area, dual walk-ins, an elaborate bath, in- & outdoor tubs, private patio & rock garden. The roof deck invites with a labyrinth meditation path, cabana & seating areas. The home is completed by a infinity pool, spa, barbecue, pizza oven & lawns.
