Welcome to The Crystal House. Behind a stunning backdrop of impressive panoramas, this Beverly Hills Post Office estate surely shines. In 'The Summit', a prestigious 24-hour guard gated community, this Modern abode is fittingly placed at the end of Crest Court. The custom residence has been meticulously curated and remodeled to meet the highest of standards. Through a gorgeous courtyard and around a custom fountain, you are immediately greeted by expansive views. Spread with regal lighting, a commissioned Christopher Guy chandelier, custom Bisazza mosaics, and Porcelanosa-wall tiles, every inch of this crystal home has been hand-selected sparing no expense. The main level boasts a sumptuous formal dining, living, family room, movie theater, and entertainment room with a wine cellar and bar. Stone countertops, a custom-lit center island, and appliances from Subzero, Wolf, and Miele fill the large dream kitchen and breakfast room on the main level, all with panoramic views. Upstairs, the primary suite with a large personal walk-in closet and fireplace in the sitting area offers the perfect perspective, while more en-suite bedrooms and a home office finish the top level. On the lower level, your indoor/outdoor abode comes to life with an upgraded sauna, gym, and leisure room that leads to the saltwater view pool, spa, two fire pits, built-in BBQ, and large multi-level entertainment decks. Located just minutes between Beverly Hills, the Valley, and the beach. With a 3-car garage, elevator, and spread of designer finishings, The Crystal House creates a truly luxurious 90210 experience. Whether entranced by the perfectly manicured landscaping, jaw-dropping views, or terraced hillside dawning fruit, living here is sincerely exceptional.
