Welcome to The 3D Home! A modern architectural masterpiece nestled in the heart of West Hollywood West, just steps away from Beverly Hills. Every detail has been meticulously curated, featuring exquisite designer finishes and cutting-edge amenities. Among its standout features, a striking gallery car window allows you to showcase your prized vehicle as a work of art, while soaring 11-foot ceilings framed by Fleetwood sliders create a seamless indoor-outdoor flow. The expansive entertainer's daylight basement complete with a full second Miele kitchen offers unparalleled versatility for hosting in style. With its prime location and unmatched design, The 3D Home on Dorrington is the pinnacle of luxury living.
