Perched in a eucalyptus grove in the Brentwood hills, this mid-century modern architectural stunner has nearly 3,000 square feet of living space flowing out to an incredible backyard with a pool, spa, and deck overlooking the canyon and Pacific Ocean. This four-bedroom, four-bathroom post-and-beam residence features beautiful architectural elements and designer details throughout. The sunken living room fully opens to the deck, great for hanging out and dining alfresco on all those great sunny SoCal days. The chef's kitchen has Sub-Zero and Wolf appliances, natural stone counters, and solid walnut cabinetry. Seating for 10 in the dining room features a unique indoor-outdoor, three-way fireplace. Soak the canyon views from the tub in the Japanese-inspired spa-like master bathroom. Two of the bedrooms can be configured per your needs with either queen beds, twin beds, or cribs, and the pool gate can be left up or removed during your stay, making this a family-friendly getaway. The house comes fully furnished and has a fully stocked kitchen. We provide towels, beach towels, toys, and toiletries. With details at every turn, this home exudes charm and character with 5-star amenities! Please remember that this is a NO EVENT, NO PARTY, quiet house in a quiet neighborhood with a NO NOISE policy after 10 pm. Landlords are looking for 14 to a 30-day rental between June 18th - July 18th.
